

# BLACK PHOENIX

speaking truth to a nation addicted to  
lies-standing strong in a world seduced by the  
buy-taking a knee and taking the heat-raising a  
fist and crunking the beat-colin the prophet-black  
jesus reborn-bringing huey's manic genius to  
martin's sacred song-black lives under  
fire-immigrants under siege-psyhic forces  
breathe deeper-conjuring new creeds-the  
athlete's revolt rejecting decades of code-shut up  
and play little darkey-colored boy play your  
role-serena spoke out-bringing justice to the  
court-nationwide sports rebranded in red, black  
and gold-genius writhes deep inside every human

soul-neurons fire left to right-frontal lobe  
recombines-body and mind are not opposites-they  
are one dialectic-black phoenix flies from the  
ashes-leaving bigots apoplectic... we pray for you  
brother-may allah give you strength-channel the  
buddha's sacred mindful righteous path... karma  
comes unexpected bringing revolution to the  
fore... feel the bern butterflies-rock the streets  
queer and proud... unite the fight for a world free  
of capital's decay-seize the time and secure our  
precious place on this earth-we have no time for  
delay-no room for war games-meditate on these  
words-love and laugh, hope and pray-classwar  
babydolls-psychic vengeance reborn-end the  
tyranny of white supremacy-let humanity be  
reforged... celebrity is to our polity as pantheons  
were to egypt and rome-colin's power is his  
beauty-his genius and humble pride... tweet your  
piece-name your pain-let social movement be  
reborn-lenin's genius decentralized in a cadre for  
whom dogma is scorned... black and beautiful like  
nina-like nicki-like malcolm-colin's body inked and  
branded in cosmic reflection... black power was  
the cry of the movements of old-class power and  
revolution is the zeitgeist of now-bridge the

divides that keep our nation red and blue-black  
and white-the edifice of white supremacy is a  
cancer that divides... raise your fist bypo  
freaks-tag a wall and crack a smile-show some  
love to your sister-a stranger-a bum... colin's  
power is transcendent-black phoenix  
unscarred-black jesus everlasting-a revolution in  
our hearts...
