

# QUEER RESURRECTION

natural selection-queer resurrection...immaculate  
conception is an age-old deception...amplify our  
voices-magnify the choices...if karma is a bitch  
then feed the bitch some morsels...sexed-up homo  
thugs-veins infused by cosmic drugs...hit the  
streets in search of love-copulate with gods  
above...the shitstorm clusterfuck of the cheetoh-  
fuhrer-warbucks...breeds an opposition  
starstruck-with jedi powers-rising up...heed your  
dreams and meditate-organize and  
orchestrate...bomb the streets and

demonstrate-flash your eyes and dilate...cerebral  
sex and cosmic head feed the spirit-raise the  
dead...symbiotic femmes in bed fill the bigots'  
heads with dread...jesus resurrected makes rebel  
hearts connected...nazi lies dissected-our species'  
fate corrected...queer pride burns deep  
inside-demolishing the bigots' lies...trans  
power-like a fire-summons angels-flying higher
